#### **1488. Election of Mayor**

The Mayor, Cllr Leach, addressed the Council:

*“Well here we are, surprisingly I have made it through to the end of my year relatively unscathed. The Mayor’s job is very much a team effort comprising of us four and all of our fabulous girls in the office, and the same applies to raising money for the Mayor’s Charity which this year has just touched the £1,900.00 mark. Thanks to help from the Buffs, Round Table, Rotary, Kate who jumped in the river, the High School who actually paid me to talk to them, the Stirling efforts of our Town Crier, Ray Wales, who always donates his fees to charity, to donations from many members of the public and even my younger brother Jeremiah who miraculously raised money in our talent show! Between the four of us we have visited other towns throughout the Eastern Counties spreading the word as to how brilliant Downham Market is, the Capital of the Fens.*

*“Locally the Chains have been seen at virtually every coffee morning or event in the Town Hall, every church, school, residential home, shops and the Chamber of Trade events coming to a crescendo at Christmas when John and I managed to eat eight Christmas dinners only to be upstaged by Joyce and Audrey who managed nine.*

*“One of the highlights since Christmas must have been visiting Thetford Forest in the torrential rain, to walk through a wet field, climb under a hedge and sit round a camp fire that wouldn’t burn and listen to men in shorts singing Ging Gang Gooley.*

*“Downham Market is growing rapidly, not only in population but character, in heart and in civic pride and is without doubt the envy of other towns and cities in the East.*

*“Thanks to many partnerships and dedicated groups who work with this Council, spectacular events take place nearly every month of the year, all provided without cost to the ratepayer and in fact this year the Town Council managed to reduce its precept. Long may it continue.*

*“During this past year we have reached Quality Parish Status, thanks to a lot of hard work by our Town Clerk and Mrs Pat Roberts, thanks to them both and of course our Deputy Town Clerk, Sara, who is well into her CiLCA course and I wish her every success.*

*“Also during the year our property portfolio has increased by the opening of the Old Fire Station Car Park and the acquisition of the Howdale Community Centre together with 6½ acres of open space that we can now protect and I would like to thank all involved. And of course the Town Hall is going from strength to strength especially with the opening of the cinema, and by the way we could do with some more volunteers to be usherettes and bring your own torch!*

*“But times are not easy, money is in very short supply and we have to monitor our housekeeping very closely and lots of changes are just around the corner. I know some of you support the Unitary proposals, others would hope for the status quo and then of course should we get a change of Government all the rules will change, so we must train and prepare for what will come. We of course are not a political council and that is the way I personally like it, we leave our views at the Council door and we concentrate on working for the common good of our community.*

*“For the twenty of us who sit in the Chamber, it is a bit like being married, and for a successful one, and I’ve had fifty years, you have to give and take and be mindful of other peoples’ views and to compromise and not confront.*

*“Before I close I must congratulate Cllr Sampson, as on Thursday he dons the red robe and pointed hat as the Deputy Mayor of the Borough of King’s Lynn and West Norfolk. Definitely finally forever my eternal thanks to, Jean, Sara, Kate, Kerry, Karen and Carol, who has unfortunately left us due to ill health. To all of you who have allowed me to be your Mayor and lead this totally intergenerational town for the past year and to John and Audrey Doyle who have carried me through and of course my wonderful wife Joyce who managed to find time to sign up to me for another fifty years.”*

Cllr Sampson addressed the Council:

*“Mr Mayor before you hand over the chains I, as your proposer, would just like to say a few words. I know that you wondered what I was letting you in for this time last year. I knew then and I still know now and you also know now! I hope that you and Joyce have enjoyed being*

*Downham Market’s Top Citizens – I nearly said Senior but that would not do as it probably is not politically correct...*

*“You have done a marvellous job promoting and defending the Town and you have maintained our reputation abroad in a unique and high profile way. There is a new tourist attraction in West Norfolk – Dragon Safari’s in Hilgay Fen!*

*“I hope the two of you are not too exhausted after the high pressure living of the last twelve months and I hope that you don’t miss it too much in the coming months – the memories are always good because the not so good ones always seem to fade away.*

*“Thank you for a great year and enjoy retirement!”*

Cllr Fox addressed the Council:

*“Mr Mayor about four months ago I stood to nominate John Doyle as Mayor Elect. I said nothing much about him assuming that everyone knew what was to be known about this man. I realise that was not the case so now I hope to fill in just a few of the gaps.*

*“He was born in West Ham some years ago – seeing that I no longer write articles regularly for the press I am not required to say just when! The family was obliged to move to Dagenham in 1940 thanks to Hitler.*

*“He was elevated to the honoured position of school captain in his last year of school so being Mayor will not be a difficult task.*

*“On leaving school he joined the building trade which was interrupted by two years National Service in the Royal Navy during which he served on the Cruisers Superb and Cumberland.*

*“In 1960 he married Audrey and they have two sons, Steven and Mark, and six grandchildren aged between six and fifteen.*

*“In 1963 they built their own chalet bungalow in Audrey’s home village in Bedfordshire. Obviously thought he made a good job of it because in 1968 started his own business as a small builder (couldn’t think of a gag for that one!)*

*“In 1978 he became a Parent Governor at the school their children attended and then moved on to be a Local Education Authority Governor moving on in 1986 to become Vice Chairman and in 1989 Chairman of Governors at a 1600 pupil comprehensive school as well as being a Governor of one of the feeder primary schools.*

*“Since retiring (I use that word reservedly) to Downham Market in 1996 John has worked with many different groups in the town including The Willows and the Parents Resource Centre. In 1979 he was appointed a Governor at Hillcrest School and became Chairman in 1999.*

*“John was elected to the Downham Market Town Council in 2003, was Mayor in 2007/08, and set up the Water Festival in 2007.*

*“So now you all know a little more about this man and I would ask for your support in my nominating him as Mayor for 2009/10.”*

**Proposed – Cllr Fox**

**Seconded – Cllr Blyth**

**‘That Cllr Doyle is elected as Mayor of Downham Market for the ensuing year.’**

**All in favour**

There being no other nominations, Cllr Doyle was duly elected.

**1489. Mayor Making and Declaration of Acceptance of Office**

Cllr Leach received his past Mayor’s badge.

Cllr Doyle and Mrs Doyle received their chains of office.

Cllr Doyle presented Mrs Leach and Mrs Doyle with a bouquet of flowers.

Cllr Doyle made his Declaration of Acceptance of Office as Mayor.

The Mayor, Cllr Doyle, addressed the Council:

*“Firstly can I thank my proposer and seconder and all of you for giving me the opportunity to serve our town once again as its Mayor, a task which I accept with pride? Can I also thank Audrey for consenting to be Mayoress once again because she is the person who makes sure I’m in the right place at the right time and supports me throughout the year?”*

*“The theme of my Mayoral year will once again be as before, ‘WE THE PEOPLE’. I will again try to bring the community to the fore and involve as many people as possible in the life of our town, as well as promoting the business interests of the town because with a growing young population we need local jobs for them to do and career paths for them to follow.*

*“Can I at this point say a few words about our retiring Mayor? That’s a play on words because as all of you will know he is anything but retiring, although he has admitted to me recently that no one really now believes his father was a Jewish U-Boat Commander who beached his boat one night in Canvey Island and I am also pleased to announce his daughters have bought him a new joke book so we may possibly be spared the current crop in the future.*

*“But in all seriousness I must say John has been one of the most popular Mayors our town has ever had. During his year of office he has given a staggering amount of time to the post, it was not unusual for him to be in or around the office from nine in the morning to four in the afternoon, and then attend meetings in the evening. John’s Mayoral style has been equally at home in all situations and I can tell you that he is held in high regard within the surrounding areas because of the way both he and Joyce have presented themselves and represented the town during the many civic events they have attended in the area.*

*“They have been excellent representatives of our town and we can all be proud of them and for the responses they received from other Civic Dignitaries throughout the area. He will be a hard act to follow. Anyway thank you John and Joyce for all you have done for our town and for an excellent Mayoral year.*

*“As I have said my year will be dedicated to the people and bringing everyone together as much as possible. Later this year, hopefully, we will restructure the way our Council works*

*which will make better use of Councillors time and provide a clear path for new Councillors to take on responsibilities but more of that later. I have chosen for my Mayoral Charity this year the local charity 'Rebecca's Wishes' which sends terminal ill children on holidays and helps with equipment etc so I would ask people to be generous throughout the year for this worthy cause. Thank you once again for giving me the opportunity to serve our town and its people as the Mayor."*

The Mayor, Cllr Doyle, resumed the meeting.

**1492. Election of Deputy Mayor**

Cllr Stacey addressed the Council:

*"Mr Mayor, Councillors. I should like to propose as Deputy Mayor, one of our numbers who is long standing as a Councillor, experienced in just about every aspect of Council work and, I believe respected by all who work with him. I have tried to persuade him to stand as Mayor or Deputy for a number of years but business and family commitments have always prevented him. He has also, over the years, been involved in many of the town's activities including Downham Arts, Downham Market Festival, Lions International, and support for the performing arts in general and DADS in particular.*

*"He has become known in Council and Committee Meetings as "Mr Point of Order" and has a wide knowledge of our Standing Orders. He led the team set up to purchase the Old Fire Station and develop it as our new car park as well as leading the quite difficult discussions with the Heritage Society to establish the Old Fire Station building as a Heritage Centre. He has also been at the forefront of our negotiations to take over the Town Hall, to produce plans to develop it and in particular to start our own very successful cinema programme.*

*"He is, of course, Cllr John Fox, a local man; an excellent speaker, honed to perfection in his capacity as announcer at many, many public occasions. He has a presence, intelligence, powers of persuasion and the ability to get on with people. He knows pretty well everyone in*

*Downham Market and I can think of no one who would make a better Deputy Mayor and in the fullness of time Mayor of our town.*

*“I therefore have great pleasure in proposing Councillor Fox as Deputy Mayor for the coming year.”*

**Proposed – Cllr Stacey**

**Seconded – Cllr Sampson**

**‘That Cllr Fox is elected as Deputy Mayor of Downham Market for the ensuing year.’**

**All in favour**
