

Firstly, my apologies for my non-attendance.

I would like to thank Councillors and Residents for their support over the past 12 weeks as I stood in as Chairman/Mayor, after the departure of the previous Mayor.

I hope that the Council will continue to move forward in the positive way that it has been going and therefore move ahead, although it may take some time to get back to full normality.

It has been a pleasure to serve the community once again and I would like to wish the new Mayor and deputy Mayor every success for the coming year and say that they have my full support.

Robin Pegg
