My Report:

Borough Council

The primary focus of the recent Full Council Meeting of the Borough Council was the development of Parkway and Salters Road in Kings Lynn.

New Standing Orders for the Putting of Questions to Cabinet was also on the Agenda

I am engaged in promoting urban wildlife throughout the Borough

I am in email conversation with the Leader and Cabinet Members on various issues

I have still to hear back from the Cabinet Member for Business Development about engaging and discussing the future of business in the Town

North Downham Ward

I have been engaged with residents of North Downham Ward in connection with flooding, street lighting, pathways and roads

I am in contact with the Borough about improving play equipment in Downham Market

Future

Now that restrictions are relaxing I will re approach the Police about establishing a Community Speed Watch Team in Downham Market

I will continue to engage with various organisations about improving play equipment in Downham Market and the provision of a "Fitness Trail"
