

From Andy Bullen - North Downham Ward

Report to DMTC 3 November 2020

Ward Business

I have been involved with assisting residents on a number of issues including housing and trees

Town Business

After consultation with Norfolk Police the decision has been made to delay the Community Speed Watch training until the New Year in the hope that Covid 19 restrictions will allow meetings

I met with the Borough Council to discuss a site for a new outdoor gym/fitness trail and play equipment. I will report back when I have additional information

Borough Business

I am pursuing my campaign for protecting and encouraging urban wildlife with the Borough

I am supporting development of maritime in the Borough particularly to promote careers and opportunities for young people and business

Thank you

Andy
