

Cllr Andy Bullen report to DMTC 18 September 2020

I am pleased to report the following:

I have been involved with numerous approaches from residents of my North Downham Ward which I continue to follow up concerning tree safety, building plots and safety

I am following up with Norfolk Police about establishing a local DM Speedwatch Team

I have approached the Borough Council about availability of Borough owned land in Downham Market for a new Fitness Trail in the Town

I have again approached the Cabinet Member for Business Development to suggest an informal meeting of business owners from Downham Market to discuss and investigate priorities to develop and maximise local business and career opportunities

Cllr White may have mentioned he has secured funding for parking restrictions around Nelson Academy to address local residents concerns

BCKLWN

Notes from last meeting Full Council Meeting

The Cabinet Environment Portfolio position has not been replaced

Proposals for a new hospital in KL are being considered by the Government

The annual canvas of electors is currently underway

* * * * *

The Cabinet received a Report this week on the financial impact of Coronavirus on Borough revenue and how it will need to take at least £4.6million from reserves to balance the books

* * * * *

I have attended various meetings including Environment and Communities Panel. There was a presentation from Water Resources East which mentioned the possibility of new reservoirs on the Ouse downstream from Kings Lynn

Borough Climate Change Policy was discussed with no significant changes to report

Thank you

Andy Bullen
