

SNAP – Cllr Val Leivers

Cllr. Wiles and I attended the Meeting in the Town Hall, Downham Market, on Monday 29th July 2024. Despite publicising on our Council Website and Social Media only 3 people attended from this town.

We reiterated our concerns over anti social behaviour in town centre, cycling through precinct etc.,

Our local Beat Officers told us they all came to the Town Centre in their civilian clothes to spend time observing unfortunately due to a major incident they were called away. From our Meeting it is obvious that when we report any problems that they act upon them.

The priorities from the July Meeting until the next are:-

E -Scooter/E-Bike usage alongside other anti socialise use of vehicles.

Youth engagement/Engagement around ASB and Criminal Damage.

The next Safer Neighbourhood Action Panel Meeting is the 12th November 2024 at William Burt Centre West Winch. Everyone is welcome to attend.

Cllr Wiles will be updating at the Full Council Meeting on Tuesday 3rd September 2024 with details of the speeds from two Speed awareness machines (SAMS) situated in Downham.Market.
